

Dear Food Service Representatives:

The Department of Education/Child Nutrition Services office will be updating the present web based filing system over the summer. This will require all new passwords and IDs. It will also require correct LEA beginning information such as inventories and cash balances.

ID Explanations:

- The Legal Agent submits approval of monthly claims, the yearly application and can read all information. Each claim and application must be approved before payment can be made. Generally, the approver or Legal Agent is the Superintendent or Headmaster. This password will be sent directly to the Legal Agent.
- The Claim Preparer can complete their LEA's information as well as their school details forms. Generally, this is the Director and or Bookkeeper.
- The School Detail Submitter can complete only their school information. This would be the Kitchen Manager.
- The Commodity ID orders commodities and completes other USDA Food Program forms online. Generally, this is the Food Service Director.

All ID levels have permission to view all LEAs and all schools information because it is public access.

Who is the Food Service Director for your LEA: If none please state so

Name: _____ Contact Number: _____

Return completed information to Nanci Kittredge e-mail: nanci.kittredge@maine.gov or fax 624-6841. This request can be submitted via paper or electronically to prevent any errors.

**Maine Department of Education
Child Nutrition Services
23 State House Station
Augusta, ME 04333-0023**

Complete the form with the names and positions of each person that will submit forms electronically for **School Food Service**. IDs and temporary Passwords will be assigned by Department of Education/Child Nutrition Services. Passwords should be changed by each person after receiving their temporary password/s. The ID and Password combination is the legal signature, therefore should not be shared. Staff changes must be addressed by notifying the CNS office to protect your data. IDs have different permissions. This is to provide the checks and balances for the LEA. The LEA can have a backup staff with district or school permissions.
